

March Madness Membership Drive is out of this world!

IT'S THE MARCH MADNESS MEMBERSHIP DRIVE

Do you know other family childcare providers?
Do THEY know what benefits joining PFCCA hold?

- We have monthly Chapter meeting in your area.
 - These meetings bring together other providers for food, training which is accepted by licensing as face to face training on a variety of subjects you choose - complete with certificates,
 - networking with others that know what your day really consists of, but most important
 - Friendship with other providers in your area that are dealing with the same, late parents, crazy two year old escape artists, picky eaters and loneliness and isolation that comes with the profession.

- We advocate for you, the provider, in the community, with licensing, and even the governor's office.
- We provide professional Development opportunities, this year alone we will be giving away 15 \$100 CDA scholarships that along with the CCPDI grant and the CAC grant will cover 100% of the cost of your CDA.
You can find this information out on our new website at pfcca.org.
- Because we are a professional association - membership counts as one of your markers for your CAC grant.
